

QS World University Rankings 2014 Launch Event

Description

10 years, weâ??ve come a long way! have you?

The world has changed a lot in the past decade and globalization is now a reality brought about by profound technological and socio-economic transformation.

Can you think of a world without Facebook, Twitter or smart phones? And can you think of global higher education without rankings?

QS pioneered a ranking for the internationally mobile students and published the first edition of the QS World University Rankings in 2004. The methodology of this ranking can be found [here](#).

We would like to invite you to join the celebration.

The launch of this yearâ??s edition of the QS World University Rankings will take place on **September 16th** in Prague during the annual EAIE Conference, at the [Hotel Ambassador- Zlata Husa](#). This event will feature a rankings review in the last 10 years, a panel discussion with high profiled speakers, and this year results, followed by a reception including a QS Stars ceremony. The full agenda of the event is available [here](#).

The launch is a free entry event and it will include welcome coffee and reception drinks. Places are limited.
