

## QS World University Rankings 2020 Yearbook

### Description

Released as part of QS's 30<sup>th</sup> anniversary, the new Yearbook replaces the former Top Universities Guide and brings together all of QS's Rankings into just one publication.

This Yearbook includes:

- QS World University Rankings
- Graduate Employability Rankings
- World University Rankings by Subject
- Regional University Rankings
- Best Student Cities Rankings
- QS Stars University Ratings
- Global MBA Rankings
- Business Masters Rankings
- Online MBA Rankings

This almanac for the higher education sector will give you the opportunity to compare changes in the rankings year after year.
